

Lumbermen's Association of Texas & Louisiana

Serving Dealers. Supporting Builders. Since 1886.

You can Sponsor LAT Member weekly E-Blasts!

After requests from numerous Associate Members for new methods of promoting their companies, LAT is now offering monthly email and fax sponsorship opportunities. The LAT email updates are sent to over 300 recipients on an average of 4 times a month and a fax version is sent out twice a month to another 200 members.

Sponsors will be acknowledged at the top of each email – in a larger font, boldface and in color - not in a banner ad or off to the side. Sponsors have the opportunity to list a few brief sentences about their company as well AND we can provide a link to more detailed information. Sponsors can change the text and link every week if desired. The deadline for content submission is Tuesday 1pm of each week. (Deadline is subject to change).

Only one sponsor will be featured per month and availability will be based on the order of the returned forms received (first come, first served). In order to accommodate as many of our Associate members as possible, repeat sponsors will be rotated to allow a different sponsor each month. Your cost is only \$250 per month and due prior to the first update. This introductory price will be honored until the end of June 2011. Please contact craig@lat.org for more details.

Yes, I would like to be Monthly Email Sponsor for \$250.
