LUMPAC ENDORSES REP. RYAN GUILLEN IN REPUBLICAN PRIMARY FOR HD 31

AUSTIN, Texas (February 9, 2022) – LUMPAC, the political action committee for the Lumbermen’s Association of Texas (LAT), today endorsed Representative Ryan Guillen in the Republican Primary for House District 31. Founded in 1886, LAT is a non-profit trade association that represents lumber and building material dealers and the LBM industry in Texas.

“Texas lumber dealers are proud to endorse Representative Ryan Guillen in his re-election,” said Harley “Bubba” Finnell, President of the LAT Board of Directors and President of Oldham Lumber Company in Dallas, Texas. “Ryan Guillen has always supported the Texas economy and in particular those who build it. The lumber and building materials industry is an economic bedrock of our state. He has voted to protect us from frivolous lawsuits and opposed bills that would tax us out of business. He is always there for Texas Dealers and we are here for him.”

During the recent 87th Regular Session of the Texas Legislature, Representative Guillen voted for House Bill 19, litigation reform in trucking accidents, and Senate Bill 6, the Pandemic Liability Protection Act, both priority bills for LAT.
