

Help LUMPAC Keep Texas Pro-Business and Pro-Building Materials

Dear Member,

You are a vital part of the Texas building materials industry, and we need your help today more than ever.

The election on March 5th will determine the future of our state and our industry. We face a serious threat from anti-business forces who want to impose higher taxes, more regulations, and more lawsuits on our businesses.

That's why the LUMPAC trustees have approved a historic \$80,000 in support of candidates who have proven to be pro-business and pro-Texas building materials. These are the candidates who have:

- **Stood up for our values and interests in Austin**
- **Fought against bad bills that would harm our industry**
- **Carried legislation on our behalf, such as the trucking lawsuit reform bill in 2021**
- **Earned the endorsement and trust of LUMPAC and LAT**

They face tough, well-funded opposition in the primary, and that will be when their election is decided. We need your help to invest in these races that will determine if the Texas Legislature remains pro-business.

This is an extraordinary time, and we are committed to rising to the challenge. Since 1976, LUMPAC has ensured that our industry has a seat at the table and a voice in Austin. We have helped elect pro-business legislators who have made Texas a national leader in growth and opportunity.

But we can't do it alone. We need you to join us in this critical mission. LUMPAC has a goal of raising an additional \$100,000 to be effective this cycle, and we need you to have our back.

Please make a personal investment of \$10,000, \$5,000, \$3,000, \$1,000 or any amount that you are able. Checks should be made payable to LUMPAC from personal funds and mailed to LAT. (PO Box 41088, Austin, 78704). Register to be a LUMPAC supporter today--you can make a one-time credit card contribution [here](#).

[Don't wait - donate today!](#) Every dollar counts and makes a difference. Your donation will help us keep Texas pro-business and pro-building materials.
